

Fig. 1

A hand-drawn graph illustrating a frequency range. The horizontal axis (x-axis) is labeled with values 2, 20, 200, 2000, and 20K. The vertical axis (y-axis) is labeled 'f'. A rectangular region is shaded with diagonal lines, starting at 20 on the x-axis and ending at 20K. An arrow points to this shaded region with the label 'FIRST RANGE'.
